

Dear LRHS Band Families and Alumni,

Happy 25th Anniversary Leesville Band! Looking at all the trophies in the band room, MPA plaques lining the walls, exceptional Band Directors, the many band trips and experiences the students have had, the hard work of parents helping the Bands Club over the decades, it has been an amazing 25 years! We could not have such a successful bands program without dedicated volunteers and financial support from the current band families, Alumni and the Leesville Community. A huge Thank You to all.

As we start the next 25 years, the Bands Club has the challenge of replacing aging instruments from 1993 that are beyond repair as well as purchasing additional instruments as the band continues to grow. This year, the goal is to raise \$11K for the purchase of a new tenor saxophone and to replace a marching sousaphone. The Bands Club relies heavily on donations through the Capital Campaign to secure funding for these large instrument purchases. Senior Parents, this is a wonderful way to pay tribute and give a shout out to your senior while making a difference to the band.

Please consider a tax deductible donation to support the Band for another 25 amazing years. Donations in any amount are greatly appreciated. However, the following levels of donations will receive special recognition in all LRHS Band Concert Programs this school year. Donations must be received by **December 4th** to be included in the Winter Concert program. Make the most of your donation with a corporate matching gift too.
