

Scrip Program FAQs

Coordinator: Tonya Plaice lrbscrip@yahoo.com

Items below have been postponed due to COVID:

- **When is the next Scrip group order?**

Future Scrip order dates are noted the Band New and Notes. Scrip order dates are usually the Monday, Tuesday, or Wednesday of the week preceding the monthly Bands Club meeting. There are exceptions, however, such as summer orders and December orders. Be sure to read the Scrip News in the Bands New and Notes each week.

- **When will I receive my Scrip order?**

Scrip order distribution times are noted the Band New and Notes. Scrip orders are usually distributed during the monthly bands Club meeting, which is usually the 3rd Tuesday of each month during the school year.

- **Today was the last day for Scrip orders and my student forgot to drop off my order.**

Please contact the Scrip coordinator via telephone to see if it is still possible to place the order. The phone number can be found at [Bands Club Organization](#).

- **Can I mail in my Scrip order?**

No, online ordering is encouraged as a more secure and reliable method.

Items below are still in effect:

- **When will the Scrip order credit show up on my student's account?**

Student account credits from Scrip orders are submitted to the Student Accounts officer at least once a month. The credits are then made to the student accounts and will show in your [Charms](#) account when posted.

- **I missed the Scrip order pickup time. How can I get my Scrip order?**

Please contact the Scrip Coordinator to arrange a mutually convenient time to pick up the Scrip order.

- **Which Scrip cards do you have in stock? Can I stop by to pick up some Scrip cards?**

With the exception of Goodberry's gift cards, Scrip cards are not kept in stock for future orders or between-cycle distribution. However, many popular retailers offer eGift cards online that can be ordered and printed within minutes from www.ShopWithScrip.com. Please contact the Scrip coordinator for more information and program rules.
